

# ADDIS BOGALE

## PROFILE

A highly resourceful, innovative and enthusiastic intern. Pursuing bachelor's degrees in both computer science and business and an associate's degree on mathematics. I have considerable experience with working on projects from beginning to end, defining the project plan, timeline, scope and executing the analysis before providing detailed recommendations. Having an ability to learn and adapt to a new environment quickly. Keen to find a challenging position as a research analyst within an ambitious company where I will be able to continue to increase my skills.

## COMMUNICATION AND LEADERSHIP

High communication skills developed through meeting people around my area of work and presented ideas in big stages such as THE AFRICA UNION HQ, ROTARY CLUB OF SOLIYANA. Key leadership in working together with professionals and achieving goals as a team, and always willing to take that first step without fear.
